Action Mesothelioma Day

This year's event is once again hosted by Cheshire & Merseyside Asbestos Victims Support Groups.

Each year, hundreds of people gather in cities across the UK to raise awareness for mesothelioma, to call for better treatment and care for patients.

Families damaged by asbestos diseases will take part in releasing doves to represent victims suffering the impact of asbestos.

The theme for Action Mesothelioma Day this year will be raising awareness about the dangers of asbestos.

The two beneficiaries of monies raised on the day are:
